Webinars on Liability for Artificial Intelligence

BRUSSELS, 8 June 2020

PROGRAMME

---

8 June 10.00 – 11.30   **Webinar 1 – Risk-based approach:**

How should high-risk and non-high-risk AI applications be determined?

---

8 June 14.00 – 15.30   **Webinar 2 – Strict liability of the operator of high-risk AI applications:**

Who is the operator in that case?

---

8 June 16.00 – 17.30   **Webinar 3 – Burden of proof for non-high-risk AI applications:**

How can we help victims of damage caused by such applications to prove their claim?
