Pharmaceutical Strategy : DG SANTE calls on stakeholders' registration for workshop on 14/15 July 2020

Following the Online Public Consultation and roadmap on the [Pharmaceutical Strategy](#) launched on 16 June, DG SANTE will organise, on 14 and 15 July, an online workshop with stakeholders on the Strategy. Interested parties – which may include but are not limited to – representatives of industry, patients, public health organisations, healthcare professionals and providers, research community etc. are invited to [register until 3 July](#). The [objective of this workshop](#) is to gather stakeholders' views based on questions in specific areas of the Strategy. National authorities will be invited to attend the workshop. The Commission will present its Strategy in a Communication to be adopted by the end 2020. Please note that due to the format of the meeting, available invitations are limited and a balanced selection of represented interests may have to be made.
