### **Together against Cancer: How can Europe benefit from breakthroughs in personalised oncology?**

30 November 2020 | 15:00 – 16:15 CET

**REGISTER HERE**

**Join us on 30 November for a virtual event that  
you can personalise.**

**We will give you the speakers. You will define  
the agenda.**

**Together, we will shape the future of cancer  
care.**

**We are launching a new Report on  
Personalised Oncology in Europe, drafted by a  
team of leading experts from the London  
School of Economics, which aims to advance  
and implement personalised oncology  
approaches for cancer patients in Europe.**

*The event is organised by the European Federation of Pharmaceutical  
Industries and Associations, the London School of Economics (LSE),  
the European Cancer Patient Coalition (ECPC), and the Cancer Drug  
Development Forum (CDDF).*
