WEBINAR ON THE IMPACT OF BIOSIMILAR COMPETITION IN EUROPE

PRESENTATION OF IQVIA REPORT

Videoconference

15 December 2021, 9h30-11h00

The 7th report on the 'Impact of Biosimilar Competition in Europe' will be published by IQVIA, and has been a long-standing source of information provided by IQVIA on the status of the biosimilars market. The document is created to describe the effects on price, volume, and market share in 23 European countries, and the discussion is an opportunity to engage stakeholders on the emerging trends within EU markets.
